- Password:** Password input field with masked characters.
- Authorization Code:** Text input field with a 'Request Authorization Code' button.

Below the input fields, there are three informational messages:

- Please enter your primary email address. You can use your email address to retrieve previous application documents to complete new applications.
- Authorization codes can only be used once. If your authorization falls, please apply for a new code.
- Your password should be between 8-15 letters and contain at least two of the following: numbers, special characters, and English letters.

At the bottom of the dialog box, there are 'Sign up' and 'Cancel' buttons.

Please enter your name, date of birth, e-mail, password and request authorization code which will be sent to your e-mail. You can complete creating a new account by entering the authorization code.

※ Your e-mail address will be your log-in I.D. for the system.

3. Filling out on-line application form (1/9)

※ Personal Information

1. As you enter your mobile phone number, please do not input 'space' or '-' which will cause technical errors.
2. After filling out basic information, please save first before you upload a research plan file.
3. A research plan should be within 5 pages, and the file size should be smaller than 30Mb.
 - Please state name of applicant and application field at the top of your research plan file.

After creating a new account, please begin to fill out the on-line application form.

3. Filling out on-line application form (2/9)

The screenshot shows the 'Education Achievement Details' form with the following fields: Most Recent Degree, Classification, Date of Admission, Date of Graduation, School Code, School Name, and Location of School. A red box labeled '1' highlights the 'School Code' field, and another red box labeled '5' highlights the 'Enter Text' button. A pop-up window titled 'School Search' shows a search for 'Los Angeles' with a list of results. A red box labeled '2' highlights the search input, '4' highlights the 'Select' button, and '3' highlights the 'University of California, Los Angeles' entry in the list.

※ Educational Background

1. Please enter your educational background. You may look for the school's name by using 'school search' program.
If you cannot find the school's name through 'school search' program, click 'Enter Text' button which will allow you to type-in the school's name.
2. You are required to mark on the most recent degree for your final degree such as Ph.D. (multiple choice is not allowed.)
3. When entering 'Admission Date' and 'Graduation Date', please make sure to enter the exact date written on the academic transcript or diploma. Even if you just finished the course work or dropped out of school without getting a degree, you are still required to enter 'Graduation Date'. In that case, please enter the last day at the school.
4. If it is graduate school level, you are required to enter the name and affiliation of your advisor.
6. If you got a Master's or Ph.D. degree from a school, you are also required to enter the title of your thesis.

3. Filling out on-line application form (3/9)

※ Professional Experience

1. Enter your professional teaching and research experiences with exact start date and end date.
2. You will be required to submit documents that can certify your career, if you are successfully qualified at the first screening.
3. For career experience still in process, please enter the expected final date or February 28, 2025, which is one day prior to the expected appointment date at Korea University.

3. Filling out on-line application form (4/9)

※ Journal Article – Upload #1

1. Download the manual#2 on how to collect your publication from journal index website such as Web of Science, Scopus, or KCI.
2. In accordance with the attached manual, collect your publication records in each journal index website.
 - The records will be saved as MS Excel or Text file format.
 - **If you cannot access to those DB, you cannot register your publication records in this way.** You will have to type-in under 'Article Check and Registration' tab.
3. Click 'File Upload' button and upload your publication data in sequence. (WOS → Scopus → KCI)
4. **If you collect the same publications from both WOS and Scopus, those publications will be uploaded in duplicate.** In that case we recommend you **delete one of the duplicated data** so that you may not submit the duplicated data.

When you delete the duplicated data, it is more efficient to delete the data collected from Scopus website because WOS data contains more information than the other.

3. Filling out on-line application form (5/9)

※ Journal Article – Upload #2

1. After uploading your publication data, please select your name among all authors in 'applicant' column.
2. Then, select your role of the publication among 'Single Author', 'Collaboration(1st Author)', 'Collaboration(Corresponding Author)', and 'Collaboration(participation)'.
2. The WOS and KCI data contains both year and month in publication date field, whereas the Scopus data only contains the year in publication date field. **If the publication records are uploaded by using Scopus or WOS data, the month value is automatically indicated as January(01). Therefore, you are required to correct the publication date to the actual publication date before you submit. (Academic articles or works published since September 2019)**
3. After selecting your name and role of each publication, please submit the data. The submitted data will be transferred to 'Selected List' field.

3. Filling out on-line application form (6/9)

The screenshot shows the 'Faculty Invitation Application System' interface. The main content area is titled 'Application for Faculty Invitation' and contains a navigation menu with tabs for 'Personal Inform', 'Education', 'Professional E', 'Journal Article', 'Academic Book', 'Attachment', 'Application Submit', and 'Desired Depart'. The 'Journal Article' tab is selected, and the 'Article Check and Registration' sub-tab is active. Below this, there is a table of 'Article Information' with 7 cases. The table has columns for 'N', 'Details', 'Publicati (YYYYMM)', 'Journal Classi', 'Int'l Journal Cl', 'Name of Journ', 'Title', 'ISSN', 'Applicant', 'Role', and 'Nur'. The first row is highlighted, and the 'Details' button for the first row is highlighted with a red box. Other 'Details' buttons in the table are also highlighted with red boxes.
