 - Two letters of recommendation from the final-degree advisor or other relevant officials (optional)
 - Course evaluation materials (applicable only to those with teaching experiences, maximum of 5 courses)
 - Other relevant certificates of qualification (optional, applicable only to those applying for the positions which require certificates of qualification)

○ Notes

- First Stage qualifiers must submit soft (i.e., digital) copies of all required documents online.
- The successful candidates will be asked to submit original documents after appointment.
- Letters of Recommendation may be submitted before the First Screening result notification date. The referee may directly send letters by e-mail to faculty@korea.ac.kr.

5. Notes

For All Applicants

- Applicants will be notified individually of the final screening results [between May 2025 and June 2025](#).
- Duplicate applications are not allowed even if the applicant's field corresponds to two or more fields of appointment. If duplicate applications are found in the selection procedure, the application will be disqualified.
- If any submitted documents are found to be fraudulent, the application will be disqualified.
- All materials/documents must be delivered by the specified deadline. Late submission(s) of additional materials/documents will not be accepted.
- [Articles or research projects that are in press will be taken into consideration and must be submitted along with proof of acceptance issued by the respective publisher.](#)
- [Any research output and research materials used for application will not be used for faculty performance evaluation after appointment.](#)
- All appointees must strictly adhere to and obey the rules and regulations outlined in the *Faculty Personnel Regulations* of Korea University.
- Drugs/narcotics, cannabis, or other psychotropic drug users cannot be appointed according to the amended law.

For Tenure Track
